Global Expedited Package Services 3 (MC2010-28)
Negotiated Service Agreement

Docket No. CP2013-67

ORDERING APPROVING AN ADDITIONAL
GLOBAL EXPEDITED PACKAGE SERVICES 3
NEGOTIATED SERVICE AGREEMENT

(Issued June 24, 2013)

I. INTRODUCTION

The Postal Service seeks to include an additional Global Expedited Package Services (GEPS) 3 contract (Agreement) within the GEPS 3 product.¹ For the reasons discussed below, the Commission approves the Postal Service's request.

¹ Notice of United States Postal Service of Filing a Functionally Equivalent Global Expedited Package Services 3 Negotiated Service Agreement and Application for Non-Public Treatment of Materials Filed Under Seal, June 13, 2013 (Notice).

II. BACKGROUND

The Commission approved the addition of GEPS 3 to the competitive product list in Order No. 503, following consideration of the Postal Service's request in Docket No. MC2010-28.² The request was based on Governors' Decision No. 08-7. *Id.* at 7. The Commission concurrently established the GEPS 3 agreement filed in related Docket No. CP2010-71 as the baseline agreement for comparing potentially functionally equivalent agreements proposed for inclusion within the GEPS 3 product. *Id.*

The Agreement is a successor to the agreement approved in Docket No. CP2012-30, and is with the same customer. Notice at 3. The Agreement is intended to take effect July 1, 2013, following the June 30, 2013 expiration of the existing agreement.³ *Id.* It is set to expire 1 year after its effective date. *Id.*

In Order No. 1749, the Commission provided public notice of the Postal Service's filing; established the instant docket for consideration of the filing's consistency with applicable statutory policies and Commission regulations; appointed a Public Representative; and provided interested persons with an opportunity to comment.⁴

III. THE POSTAL SERVICE'S POSITION

The Postal Service asserts that its filing demonstrates that the Agreement complies with the requirements of 39 U.S.C. § 3633, is functionally equivalent to the baseline agreement, and requests that the Agreement be included within the GEPS 3 product. Notice at 2. It asserts that the Agreement fits within the draft Mail Classification Schedule language for the GEPS 3 product. *Id.* at 3. The Postal Service also asserts that the Agreement and the baseline agreement possess similar cost and

³ The Commission recently granted a brief extension of the Docket No. CP2012-30 agreement (from June 10, 2013 to June 30, 2013). The extension was based on the understanding a successor agreement would be filed. See Docket No. CP2012-30, Order No. 1731, Order Granting Motion for Temporary Relief, May 24, 2013.

market characteristics and the same functional terms, but states that prices may differ. *Id.* at 3-4. The Postal Service identifies numerous differences between the Agreement and the baseline agreement, but asserts that these differences do not affect the fundamental service being offered or the fundamental structure of the Agreement.⁵ *Id.* at 4-7.

IV. COMMENTS

The Public Representative filed comments in response to Order No. 1749.⁶ No other comments were received.

Based upon his review of the Postal Service's filing, including materials filed under seal with the Commission, the Public Representative concludes that the Agreement appears able to generate sufficient revenue to cover attributable costs. He also states that the Agreement employs pricing incentives based upon volume and other provisions favorable to the Postal Service, its partner in the Agreement, and the public. *Id.*

V. COMMISSION ANALYSIS

The Commission's responsibilities in this case are to ensure that the Agreement: (1) is functionally equivalent to the baseline Agreement; and (2) satisfies the requirements of 39 U.S.C. § 3633 and applicable Commission rules.

Functional equivalence. The Commission has reviewed the Postal Service's reasons for asserting that the Agreement and the baseline Agreement share similar cost and market characteristics; meets the pricing formula and falls within the classification established in Governors' Decision No. 08-7; and comports with 39 U.S.C. § 3633 and related Commission rules. It also has considered the Public Representative's views.

⁵ Differences include, among others, revisions to provisions in existing articles, the deletion of an article (related to service guarantees), causing some subsequent articles to be renumbered; and inclusion of new articles, and an additional Annex 2. *Id.* at 4-6.

⁶ Public Representative Comments on Notice and Order Concerning Filing of Global Expedited Package Services 3 Negotiated Service Agreement, June 18, 2013.

The Commission concludes that the Agreement is substantially similar to the baseline agreement and that the differences between them do not undermine a finding of functional equivalency. The Commission therefore finds that the instant Agreement may be included within the GEPS 3 product.

Cost considerations. The Commission has reviewed the Postal Service's filing, including supporting financial analyses provided under seal, and the Public Representative's Comments. Based on this review, the Commission finds that the Agreement should cover its attributable costs. 39 U.S.C. § 3633(a)(2). It finds that the Agreement should not result in competitive products being subsidized by market dominant products, in contravention of 39 U.S.C. § 3633(a)(1). It also finds the Agreement should have a positive effect on the contribution of competitive products to institutional costs, consistent with 39 U.S.C. § 3633(a)(3). Accordingly, a preliminary review of the Agreement indicates it is consistent with provisions applicable to rates for competitive products. The Commission therefore finds that the Agreement is appropriately included within the GEPS 3 product.

Follow-up submissions. The Postal Service shall promptly notify the Commission if the effective date of the Agreement differs from the effective date identified in the Notice. Upon termination of the Agreement by either party, the Postal Service shall inform the Commission of this development and the date of termination. In addition, within 30 days of the termination of the Agreement, the Postal Service shall file costs, volumes, and revenues associated with the Agreement, including any penalties paid, disaggregated by weight and country group.

VI. ORDERING PARAGRAPHS

It is ordered:

1. The Agreement filed in Docket No. CP2013-67 is included within the Global Expedited Package Services 3 (MC2010-28) product.

2. The Postal Service shall promptly notify the Commission if the effective date of the Agreement differs from the date identified in the Notice.
3. The Postal Service shall promptly notify the Commission of termination of the Agreement by either party in accordance with the terms set out in the body of this Order.
4. Within 30 days of the termination of the Agreement, the Postal Service shall file costs, volumes, and revenues, including any penalties paid, disaggregated by weight and country group.

By the Commission.
